

Theme

North America

We are learning about North America and Native Americans.

Find at least 5 facts about either of these two areas. You can present this as a powerpoint or poster.

French

A la mode

(clothes)

Collect the outline of a human from Miss. Clarke. Dress and label the clothes you put on your human in French.

Reading

Create an advert for your favourite book.

Ensure you use persuasive language in order to get someone else to read it.

ART

North America has many landmarks such as the Grand Canyon, Landscape Arch and Mount Thor.

Sketch one of these.

Literacy

We are writing newspaper reports. Write a report about an event that has happened in the news or an event that has happened in your life. E.g: a new baby brother/sister, a competition being won or a natural disaster.

R.E

The Holy Trinity

Draw a picture of the Pentecost and explain what your picture shows.

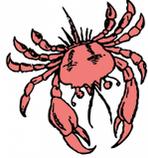

Science

We are learning about Nutrition and Growth.

Create your own animal that has an exoskeleton and label the main body parts. An exoskeleton should include:

thorax, abdomen, antennae, wings, head and legs

PSHE

We are learning how to lead a healthy lifestyle.

Collect a food journal from Miss. Clarke and keep a diary of what you eat each day. Try to label what you eat using the food groups (Fruit and Vegetables, Proteins, Oil and spreads, Carbohydrates, Fats and sugars and Dairy) Can you see if you eat more carbohydrates than fruit or more dairy than meat?

Maths

We are learning about weight. Choose some food items from your kitchen. Estimate how much you think they weigh. Now weigh them. Write your answer in KG and grams. Was your estimate close to the actual weight?
