Nursery Admissions and Charging Policy

Date of Policy	Date of Review	EYFS Leader	Headteacher
April 2022	April 2023	Lucy Smith	Lesley Briggs

The Governing Body at Roecliffe CE Primary School is committed to the nursery being led by qualified teachers and highly qualified support staff and it being an integral part of the school. Therefore, the Christian vision and Christian values for the nursery are shared with the whole school, as are the school's policies, practices, curriculum and ethos.

Within a mixed age class of children, we ensure that we effectively deliver an age appropriate curriculum and provide opportunities and experiences which support and enhance all the children's development. This is achieved through rigorous planning, careful deployment of staff and excellent provision so that all the children in Class 1 are accessing and engaged in their learning whilst being challenged to develop particular knowledge and skills.

In the 2022-23 academic year, Class 1 will comprise Nursery, Reception and Year 1 children. This class number will be no greater than thirty and these children will be taught by a qualified and experienced teacher and two full-time teaching assistants.

Having a nursery as part of the school allows us to plan for children's learning over the longer term, understand, assess and meet their needs, whilst also preparing them for each phase of their education.

To ensure quality of provision for all children who attend nursery we carefully manage the structure and organisation of the sessions so that nursery children may attend morning sessions (9am - 12pm) or full days (9am - 3pm). This ensures that the nursery children have access to learning and playing opportunities, including phonics, alongside their older peers in the same class.

The school will accept tax-free childcare vouchers.

As the year progresses, or due to changing circumstances, you may require your child's agreed offer to change. To allow for effective planning we require a half term's notice of any adjustments to your child's nursery sessions and this will be dependent upon available spaces.

Conditions of Offering Additional (Paid) Hours

Schools may charge for additional activities and services provided they have followed the following guidance. The governing body has approved and published this charging policy.

Staffing / pupil ratios and EYFS requirements for maintained nursery classes must be maintained.

The school will maintain its three term intake for the Nursery with pupils being admitted in the term after their third birthday.

The hours offered will be reviewed on a termly basis whenever possible.

Charges must be sufficient to cover the cost of delivering the service, any profits must be re-invested in the school or in the service.

Payments can be made weekly, monthly or termly in advance using Arbor. A separate budget will be set showing income / expense.

Parents are requested to keep up to date with payments. If money is owed for more than 2 weeks and a reminder has been sent we reserve the right to withdraw additional services.

Invoicing and Payment Procedures

An invoice for the additional sessions will be sent to parents half termly in advance. Where immediate payment of the invoice may cause hardship, parents are advised to contact the Headteacher in writing upon receipt of invoice. The School will do its best to assist with payment arrangements basing individual requests on their own merit. Note: late payment may incur additional charges and non payment will result in the termination of the contract with immediate effect unless an individual agreement has been arranged

Non Attendance or Cancellation

There will be no refunds (full or part) for non attendance of chargeable sessions. Fees for additional sessions are chargeable for a full term and cancellation of the agreement will result in a cancellation charge for the remainder of fees due up to the end of the term. The cancellation charge may be waived or reduced at the discretion of the Headteacher basing individual requests on their own merit. All requests for waiving/reduction of cancellation fee must be put in writing to the Headteacher. Note: late payment may incur additional charges.

Applying for a place in the nursery

The responsibility for determining the admission for nursery age children has been delegated to the Governing Body of the School by NYCC. The Governing Body has delegated this responsibility to the Headteacher and School Administrator.

Parents can register a note of interest for their child to attend the Nursery by contacting the School Office. Being placed on the note of interest list does not guarantee a place in the nursery. Places will be allocated using the Roecliffe CE Primary School Nursery admission criteria (below).

The admissions to nursery will be ranked according to the Roecliffe CE Primary School Nursery Admissions Criteria listed and not according to when the application was made. The offer of sessions will be made to meet parental need according to this ranking. This will include offering successful applicants 15 hours free entitlement and, if applicable, 15 hours extended entitlement.

The deadline for Autumn term 2022 applications is **Monday 23rd May 2022.**

Applications received after the deadline will not be considered unless there are places available and the normal admission criteria will be followed. Once a child has been allocated a place, their sessions are theirs until they leave. However, sessions that have been allocated but not used on a regular basis (other than sickness/family holiday) can be reallocated to another child at the discretion of the Governing Body.

Nursery Admissions

When allocating nursery places, our school follows the criteria below.

All governing bodies are required to admit to the school a child with a statement of special needs that names the school. This is not an oversubscription criterion. It relates only to children who have undergone statutory assessment and for whom an EHCP has been issued.

Order of Priority	Notes
First priority: Looked-after children and all previously looked-after children for whom the school has been expressed as a preference. Previously looked-after children are children who were looked-after, but ceased to be so because they were adopted or became subject to	<i>This applies to all looked-after children, including those who are in the care of another local authority or being provided with accommodation by a local authority in the exercise of their social services function at the time of making an application.</i> <i>In the case of previously looked- after children, a copy</i>

a child arrangement order or special guardianship order.	<i>of the relevant documentation will be required in support of the application .</i>
Second priority: Children who are recommended by the Director of Children and Young People's Service, including children in the care of a local authority, or by the appropriate designated medical officer.	<i>Note: we will only consider applications in this category if they are supported by a recommendation from a doctor, social worker or other appropriate professional which sets out the particular reason(s) why the school in question is the most suitable school and the difficulties that would be caused if the child had to attend another school.</i>
Third Priority: Children within the normal catchment area of the school, giving priority to the oldest children.	
Fourth Priority: Children from outside the school's normal catchment area, giving priority to the oldest children.	

Please note: Admission to Nursery in Class 1 does not give automatic entry to the Reception year group in Class 1. An application for your child to join the reception year group at Roecliffe should be made at the relevant point in the year using the website link above.

From September 2022, the children enter nursery at the start of the term after which they have turned three years old. For example, a child who has turned three in October is eligible to start nursery at Roecliffe in January.

If there are available spaces later in the academic year, additional places in the nursery may be allocated. The number of places available for our nursery entry will be dependent on the number of reception children attending at the start of that academic year. The number of allocated reception places is confirmed in April each year. Applications for a nursery place in September 2022 at Roecliffe should be submitted to the school by **Monday 23rd May.**

Proper continued use of the nursery place must be maintained otherwise the place will be offered to another child. The school reserves the right to depart from its normal admissions policy in exceptional circumstances. 'Exceptional circumstances' will be at the discretion of the school.

Applications for admissions to the school's nursery should be made using our school's admissions form, which is available from the school office: office@roecliffeschool.co.uk or by phoning **01423 322032.**
